Invites You to Join!

The Old Dominion Chrysanthemum Society, Inc. (ODCS) is a group of primarily Northern Virginians who are interested in growing the many varieties of chrysanthemums. The purpose of our society is to promote and encourage interest in the active cultivation, propagation, and improvement in the standards of excellence of chrysanthemums.

ODCS conducts monthly Zoom meetings beginning at 7:00 p.m. on the second Monday of the month from January through October.

Each October, ODCS participates in chrysanthemum shows at which members compete for society recognition, ribbons, and prizes. These annual shows are conducted under the auspices of the National Chrysanthemum Society and the National Federation of Garden Clubs. In November, ODCS holds a combination banquet and meeting.

You can learn more about ODCS at our website at **www.odcsmums.club**.
